Greetings.

April 1, 2021

We hope this letter finds you and your loved ones healthy and happy. Thank you for your interest in the 2021 Lafayette Township/Medina County Solid Waste District Cleanup voucher. More importantly, thank you for your pride and interest in keeping Lafayette Township a clean and litter free community.

The enclosed voucher entitles your residence a **one time** visit to dispose of your **bulk trash only**, on the day of your choice (per Medina County Solid Waste District operating hours) prior to the July 31, 2021 expiration date. The voucher is for **bulk trash materials only** and does **not** include the disposal of Household Hazardous Waste such as paints, antifreeze, oil, etc. The voucher does **not** include the disposal of Specialty Waste such as batteries, televisions, computer monitors, printers, florescent bulbs, etc. If you need to dispose of such items, they must be disposed of during a separate visit to the facility.

The Medina County Solid Waste District offers the collection of both the Household Hazardous Waste and Specialty Waste during restricted hours. Please note, some hazardous and specialty waste may incur a charge which will be the resident's responsibility. The household hazardous and specialty waste must be disposed of during a separate visit, not while redeeming the clean-up voucher. This is to ensure an accurate weight of the vehicle in which bulk trash is being turned in. To minimize calls to the Medina County Solid Waste District, we kindly request you take the time to review the enclosed flyers or visit www.recyclemedinacounty.com and familiarize yourself with those items that are and are not accepted and the scheduled fees associated with the disposal.

Lastly, please be prepared to present **photo identification reflecting the address listed on the voucher**. This ensures Lafayette Township is properly charged.

Occasionally, Lafayette sends out township communication via Facebook and email. If you wish to be added to the email communication, please send an email to admin@lafayettetownship.com or by calling the Administration Office phone number listed below.

Thank you in advance for following the guidelines when redeeming your cleanup voucher and for following the guidelines set forth by the State of Ohio, doing your part in keeping everyone safe!

Should you have any questions, concerns or suggestions, please contact the township by calling 330-725-6515 extension #9.

Stay safe, stay healthy!

Warm Regards,

The Lafayette Township Board of Trustees
