Ambulance Maintenance & Repairs

107-1. This one will be more than the 10K.

Chief Cavanaugh explains. First page is repairs that have already been done and placed the truck out of service. The total of all those costs \$3,845.00 that have already been completed. More repairs need to be done to extend the life of the vehicle. Chief lists items that need repair. We have been more reactive than proactive with our service. This is the one we will be keeping when we get a new one.

Trustee Peroli asks if the invoice includes what has already been done as well. Chief responds yes. We are over by \$200 that was already appropriated.

Everything else that is budgeted out is minor repairs.

Trustee Peroli states that we can reappropriate or take from reserves that we have no appropriated yet.

Trustee O'Neil states that they don't need a motion, they would just need to tell Laura.

Chief suggests taking money from the tanker.

Trustees discuss that Laura can work with Chief on moving money around to

Motion by Trustee Peroli, seconded by Trustee O'Neil to approve up to \$12,000 for ambulance repairs. All in Favor. Motion Passes.
